There are many instances throughout the school year where we have opportunities to display or publish your child's name, picture, and/or school work in our school community such as our hallways or in slideshows. Also, we may publish their work and/or pictures in our local newspapers or other publications such as newsletters, yearbook, or brochures.

In addition, there are many opportunities for their name, picture, or schoolwork to be published on our website and social medias.

Finally, we will continue to publish the quarterly honor roll in our school website and our local newspapers.

Before completing this form, please be aware a "NO" answer will ***prohibit*** the publication and recognition of your child's picture, name, and/or schoolwork in any local papers and/or school publications, as well as, our website.
