Dear Student Athlete and Parent:

There will be a **Mandatory** Parent/Player/Coaches meeting for any student that would like to participate in a **fall** sport. This meeting will be held on **Tuesday, August 13th at 7 pm** in the **District Auditorium**.

The meeting will consist of a general meeting followed by a parent/player/coach meeting. In the general session, the administration, athletic department and health department will review policies and procedures for the upcoming season. The large group will then break into team meetings where each of the coaches will address their athletes regarding tryouts, commitment, practice schedule, team rules, and, player and team expectations.

A reminder to all athletes, you will need a physical to participate in any 2019-2020 Athletic Program. The physical must be after **July 1, 2019**. The school will provide physicals on **Thursday, August 15th** in the high school nurses' office. We offer physicals here to be sure you are in compliance with our July 1st date. If you had a physical before that date that went through your insurance and it was done previous to the July 1st date, then you must sign up for our physicals. **No one will be allowed to tryout unless the physical with the correct date (after July 1st 2019) and all necessary forms have been filled out on line and are on file with the school. No student will be allowed to tryout if they, and their parent/guardian, do not show up for the mandatory meeting**

If you have any questions, please contact the athletic director at 923-2350, or the high school office at 923-9303.

Thank you,
Debra Spinelli
Athletic Director
