Dear Student Athlete and Parent:

There will be a **MANDATORY** Parent/Player/Coaches meeting for any student that would like to participate in a **spring** sport. This meeting will be held on **Wednesday, August 28th at 6:00 PM** in the **District Auditorium**.

The meeting will consist of a general meeting followed by a parent/player/coach meeting. In the general session, the athletic department and the health department will review policies and procedures for the upcoming season. The large group will then break into team meetings where each of the coaches will address their athletes regarding tryouts, commitment, practice schedule, team rules, and, player and team expectations.

A reminder to all athletes, you will need a physical to participate in the 2019-2020 Athletic Program. The physical must be after **July 1, 2019**. For those athletes who have not had a physical after July 1, 2019 and would like to tryout, physicals will be provided on **Thursday, August 15th in the high school nurses' office at 8:30 am**. If you had a physical before the July 1st date that went through your insurance, you must sign up for the physicals we provide. All middle school students that plan on taking advantage of school physicals must have signed up for the sport on line. **No student will be allowed to tryout without a physical (dated after July 1st 2019) and all the necessary documentation must be completed on line before tryouts. No student will be allowed to tryout if they, and their parent/guardian, do not show up for the mandatory meeting held on August 28th**. If you have any questions, please contact the athletic director at 923-2350, or the middle school office at 923-9380.

Thank you,
Debra Spinelli
Athletic Director
