August 11, 2020

Dear Thompson Families,

The district will be distributing laptops to all High School students and Chromebooks to grades PK-5 and new students enrolled in Thompson Public Schools the week of August 24, 2020. Please see the schedule below. Distribution will take place at the Thompson Public Schools Auditorium. Please pull up to the front doors and our technology staff will assist you. Please note that you will be required to sign a couple of forms to accept the devices for your child.

If you still have a device that was loaned out in the spring, please return it at this time to get your new device.

To ensure a healthy process, it would be ideal if you could come prepared with your own pen to sign the documents.
