

A vertical strip on the left side of the image shows a detailed, 3D-rendered view of a coronavirus particle. The particle is spherical with a textured surface and numerous small, protruding spikes or glycoproteins extending from its outer layer. The colors are primarily green and yellow, with some darker green and red tones in the background.

Thompson Public Schools

COVID-19 PARENT FORUM

With Superintendent Melinda Smith and Head Nurse Shannon Grauer

Wednesday, November 18, 2020 @ 6:00pm

Learn about COVID-19 contact tracing at TPS.

Submit any questions in an email to re-entry@thompsonpublicschools.org

Your questions will be answered at the forum.

ZOOM link will be sent to parents via email Wednesday morning.
