- Keep proper distancing while in school and out in the community especially when we are not wearing our masks

**Thank you for doing your part and keep up the great work!**

## Grade 6 - Virtual Field Trip

On Wednesday, March 24, 2021 the sixth grade traveled virtually to San Antonio, Texas for a presentation on Weather. They saw how clouds were made, lightning in a bottle, and a tornado in a box. The students thought the most exciting experiment was watching the scientist create snow with liquid nitrogen. It was also interesting to learn that San Antonio was getting snow that day, as it was 65 degrees and sunny in Thompson.
