December 16, 2021

Dear Thompson Families,

The district has been made aware of school threats posted on social media sites, including TikTok, indicating a nation-wide crisis planned for Friday, December 17, 2021. Troop D was contacted when we became aware of this social media post. Officers will be making patrols of our school campus and other schools in our area tomorrow to ensure safety. In addition, we have assigned more safety officers to be on site Friday as well.

The district's psychologists, guidance counselors, and social workers are available if your child needs to speak to someone during the school day if they feel anxious about the posts. Please encourage your child to seek out any of the support personnel.

In working with our regional State Police and District Security Team, we plan to maintain a safe learning environment for our students, faculty, and staff.

Thank you,

Melinda A. Smith, M.Ed.
Superintendent of Schools
