May 18, 2020

Dear Thompson families,

We are passing along a letter sent to all school nurses in the area from the Pediatric Center at Day Kimball Hospital.

While we understand there may be some reluctance to keep appointments for well visits and immunizations, it is important that you call your primary care physician and follow their recommendations. We are currently awaiting guidance from the State Department of Education with regard to any changes in the enrollment guidelines for the upcoming 2020-2021 school year.

Please see the attached letter.

Stay safe, stay healthy,

Shannon Grauer RN

Lead Nurse Thompson Public Schools

School Nurse - TMHS

As always, if you have any questions, please reach out to your school nurse:

MRFES - Deborah Dumouchel RN ddumouchel@thompsonpublicschools.org

TMS - Ann Hougasian RN ahougasian@thompsonpublicschools.org
