September 15, 2020

Dear Thompson Families,

As a reminder to the letter I sent out on August 12, 2020, the State of Connecticut has issued a travel advisory effective July 24, 2020 (Executive Order 7111) for anyone traveling into Connecticut from a list of states that have been identified on the <https://portal.ct.gov/coronavirus/travel> website.

Individuals visiting these states are directed to self-quarantine for a fourteen (14) day period from the time of last contact within the identified state.

If you are traveling outside of Connecticut, please monitor this list of states and follow the recommended protocols. The website is updated daily.

If you plan to travel to any of the sates listed on the travel advisory, you must inform your child's principal before your departure. Your child will be required to self-quarantine for fourteen (14) days when you arrive back in Connecticut from the affected state that you visited.

During this quarantine period, your child will be transferred to the distance learning program. To ensure a smooth transition to remote learning during the quarantine period, the school must receive prior notification of your travel plans.

Thank you in advance to this important state mandate.

Sincerely,

Melinda A. Smith, M.Ed.
Superintendent
